Addendum 2, dated September 7, 2022

QUESTION	ANSWER
<p>We are working on our Proposal for the Bids RFP# 22103 – COARSE PAPER. We would like to propose the ***** product line. The new ***** Dispenser line of dispensers with logo capabilities. See attached information. Before submitting in our Proposal/Bid, whom can we set up a meeting with to Propose a New Line of Product and Dispensers.</p>	<p>Once we are ready to award the RFP the logo capabilities will be discussed with the selected supplier before award.</p>
<p>In reviewing this RFP it is noted that both Columbia and UMKC campuses have unique servicing requirements. Royal Papers feels it is the best interest of the UOM to consider this RFP to read:</p> <p>Mandatory Point# 4. It is mandatory that the contractor must comply to the requested deliverables within the scope of the RFP with special attention to campus delivery's. This should insure that they do in fact read and understand fully perhaps even to reference Columbia and UMKC.</p>	<p>We inserted mandatory #5. It is mandatory that the Contractor must comply with the delivery expectations outlined in section 11. Delivery Requirements of the RFP. Section 11 Delivery requirements is also called out within the scope under Deliveries. So, we have covered it twice regarding the deliverables included in the RFP and Addendum.</p> <p>We feel it is double covered already within our mandatory list and outlined in the RFP.</p>

<p>In our proposal can we bid on certain areas such as UMKC or S & T instead of the whole um system?</p>	<p>It is desired for a single supplier to be selected for the entire System.</p>
<p>Please confirm the actual dates for this agreement.</p>	<p>October 1, 2022 – September 30, 2023 With five (1) year renewal options</p>
<p>When returning the Mandatory Requirements and Desirable criteria is it necessary to also return the delivery requirements portion as well.</p>	<p>Yes, return all the information as required. Please refer to page #26 of the RFP – Volume I & II</p>
<p>Is it possible to submit pricing for some of the items or is an all or none bid?</p> <p>About the items brand, are we allowed to offer different brands to the ones listed in the RFP or are they brand specific?</p>	<p>It is desired that all items listed in the RFP are priced as an offering or suppliers provide an alternate that includes the brand, item description and pricing.</p>
