QUESTIONS AND ANSWERS: The following questions and answers are provided as a matter of information to clarify issues raised about the RFP. All responses are noted below in red.

Vendor Clarification Questions

1. Can you provide a listing of sites along with their average daily prescription volumes? This is extremely important to us for scoping the project and providing pricing.

Locations	Ave. RXs
Battle Ave	85
Ellis Fischel	43
Fairview	119
Hitt Street	166
Keene Street	223
MOI	139
Old 63	125
Smiley Lane	148
South Providence	241
University Hospital	312
CC Main	150
CC-Versailles	157

- For transactional items like claims, e-scripts and patient texting, can those be listed as transactional pricing? There is not a good way to accurately predict these volumes as e-prescribing continues to grow.

Yes

- How many separately licensed pharmacy locations are there?

12

- Number of workstations needed at each location broken down by script data entry, filling, verification and point of sale registers.
