

INTERCAMPUS STUDENT COUNCIL

General Meeting Minutes
October 03, 2024, 02:00PM

Board of Curators

Steven Chaffin, ISC Advisor

- Meetings are streamed live and recorded for public viewing.
 - Archives of meetings are located at:
<https://www.umsystem.edu/curators/audio/>
- The chair of the board and the president's reports give a good overview of what the system is thinking about in the long-term.
- If ISC members wish to attend curators' meetings, it is suggested that ISC cover travel of officers, and individual student associations cover the travel of their respective president / vice president.

ISC Retreat Discussion

Max Hood, ISC Chair

- The current operating budget for ISC is approximately \$3,000.
- All present members are interested in attending an in-person meeting to determine a coordinated mission for ISC.
- February 2025 would be the preferred month for a retreat.
- A question was posed if other in-person events would be wanted and if so, what would the council want to discuss.
 - If a forum of gubernatorial campaigns was held at MU by MSA, all ISC members would be welcome to attend.
 - S&T StuCo is working diligently and would be able to share successes and future goals in the spring.
 - UMKC SGA is working to integrate student housing with existing housing through Kansas City City Council.
 - UMSL SGA has concerns with food availability.
 - MU GPC is concerned with graduate student housing availability and has been discussing ideas with administration.
 - UMSL SGA is not as concerned with housing availability.
 - UMKC is a school of primarily commuter students, but many students don't live with their family and live on their own.

Student Representative to the Board of Curators*Steven Chaffin, ISC Advisor*

- Approved candidates have been sent to the governor's office for appointment.
- There has been no movement or update on a timeline for an appointment in a long time.
- It is possible no action will be taken until the next governor is sworn into office.
- Guidance will be given by the new governor's office to determine if the next student representative is a student attending UMSL or MU.

Future Meetings*Max Hood, ISC Chair*

- Future ISC agendas will have time set aside for each association to provide a "State of the University" update concerning their campus to the full council.

Syllabus Bank Discussion*Max Hood, ISC Chair*

- There has been push at MU to have a syllabus bank provided to students.
- This bank could be a single service across all four campuses.
- UMKC utilizes Simple Syllabus as a syllabus bank service.
 - UMKC SGA will inquire their administration to determine the cost associated with Simple Syllabus.
- Prior to the next meeting, council members will meet with their associations to assess why a syllabus bank would be beneficial to students- are there problems students see a syllabus bank solving that could be solved by other means?

Next Meeting*Max Hood, ISC Chair*

- The next ISC general meeting will be Thursday, Nov. 7th, 02:00-03:00PM.
