

**University of Missouri System**

COLUMBIA | KANSAS CITY | ROLLA | ST. LOUIS

**PeopleSoft Financials will be changing this fall.**  
**Stay informed about the process.**

Later this fall, the University of Missouri System will launch a new, upgraded version of PeopleSoft Financials, the University's technology platform for finance-related transaction processing systemwide. You are receiving this message because records show you hold a position likely to have finance-related duties and use the PeopleSoft Financials System routinely.

After the update, you will still access PeopleSoft Financials to process requisitions, travel and expenses, and other finance-related transactions, but there will be a new, more intuitive home page and the other pages will have a refreshed look and feel. In addition, new mobile approval functionality will increase flexibility and efficiency, allowing users to approve transactions using a smartphone, tablet or other mobile device.

Training and preview sessions covering a wide range of topics will be available beginning in September. Please stay tuned for more information; details related to the upgrade, training and the outage period will be announced in the coming weeks.

For questions, please reach out to the Finance Support Center at (877) 752-3334 or at [financesupport@umsystem.edu](mailto:financesupport@umsystem.edu).
