**The upgraded version of PeopleSoft Financials
launches on Monday, December 3.**

Review materials to learn what the changes may mean for you.

On December 3, UM System will release an updated version of PeopleSoft Financials. Key changes include:

- Updated look and feel
- Improved navigation based on user feedback
- Mobile-friendly approvals so you can work from your smartphone or tablet

To learn about the new look and feel of PeopleSoft Financials, check out the [PeopleSoft Financials upgrade webpage](#), or the updated set of training resources available on the [training webpage](#).

The current PeopleSoft Financials will be unavailable beginning 5:00 p.m. on Friday, November 30 while the new version is being launched. The upgraded version will be available the morning of Monday, December 3.
